

December 17, 2020

Dear Members,

Over the past 40 years Premier at Sawmill Athletic club has been a family-owned staple of the NW Columbus community. The staff and membership of the club have fostered deep and long-lasting relationships, families raised their children and their children's children visiting the club for fitness, fun and fellowship. Sawmill has been more than just a club; we are a community. Knowing this makes this letter all that harder to send to you. Sadly, while we have enjoyed so many great years, and began 2020 on a high note the devastating effects of Governor DeWine's mandatory shutdown in March and the continued singling out of gyms as being high risk for COVID spread have created insurmountable losses preventing us from continuing operations as a health and fitness club. The club will remain open through the end of this month and close at the end of business New Years Eve, December 31, 2020.

We realize the importance of your physical and mental well-being and have been communicating with other local fitness clubs in hopes of finding similar accommodations to satisfy your needs. Additionally, our sister club, Kinsale Golf and Fitness Club in Powell is offering special incentives for any current Premier at Sawmill member interested in transferring their membership. For more information call 740-881-6500.

Premiers business office will remain open through the month of January for any additional membership questions or needs you may have. Please contact membership services at 614-336-2582 or email General Manager Jim Miller at [jmiller@premieratsawmill.com](mailto:jmiller@premieratsawmill.com).

On behalf of the owners, the many wonderful employees over the past these last 40 years and of myself, we all thank you for your loyalty, support and friendship. Because of you the club has enjoyed decades of success. Please make the most of this holiday season with your family and friends. Wishing you all a Merry Christmas and happy holidays with blessings beyond.

Sincerely,
