How to Get Started:

Complete a Private Swim Lesson Request Form over the phone or in person and return it to the Service Desk. All of our instructors are Red Cross certified. An instructor will contact you within one week when a match has been made with your dates and times specified. If Swim Lesson Request Form is turned in during the weekend hours, it will be processed Monday morning.

For Your First Lesson:

1. Please arrive 15 minutes prior to your first lesson to purchase your private/semi-private lesson.
2. Tell the service desk the name of who is taking the private/semi-private swim lesson(s). This is the name that the ticket should be purchased under.
3. Inform the service desk of the name of your instructor you are meeting with.
4. A ticket will be printed which indicates instructor name, total amount of lessons purchased and the number of lessons remaining.
5. Present ticket to your instructor each lesson. This is your proof of purchase for swim lesson(s).
6. Once in pool area please print your name, child's name if applicable and instructor name in the sign-in book located on the first table in the indoor pool.
7. If you must cancel a lesson please refer to the 24 hour cancelation policy waiver.
8. The instructor will charge you for a lesson if they do not hear from you within 24 hours.
9. If one child/adult cannot make a semi-private lesson you will either need to cancel the lesson or 2 lessons will be pulled from our computer system regardless.
10. Please note for semi-private instruction it is the client who must provide 2 students for the class

If you have any questions regarding private/semi-private swim instruction please contact the Aquatic Director:
