Explosive music that will drive your workout harder than ever before
Certified coaches who give you one-on-one attention and motivation
*Fee based Small Group Training **3**

BODYATTACK

The sports inspired cardio workout for building strength and stamina. This high energy interval training class combines athletic movements with strength and stabilization exercises and can be done high impact or low. Blast fat, tone the entire body, and have fun! BodyAttack Lite will show low impact options. **2-3**

BODYPUMP

The most successful group exercise program in history, BODYPUMP is the original barbell class that strengthens your entire body. Great music, challenging exercises, and your choice of weight inspire you to get the results you came for -- and fast! **4**

**LESMILLS
GXWORK**

This program hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, as well as improving functional strength and assisting in injury prevention. **4**

**LESMILLS
BODYCOMBAT**

You'll punch and kick your way to fitness, burning up to 740 calories* along the way. This high-energy martial-arts inspired workout is totally non-contact and there are no complex moves to master. **4**

Gentle Fit

This low impact class combines strength training, and stretching for a fulfilling workout. **1**

Gentle Yoga

This class is designed for those who are new to yoga or those desiring a more moderate approach to practice. Participants will work with gentle but deep stretches, basic postures, breath awareness and relaxation for a more balanced and energized body. **1**

GRIT

This intense program features dynamic cardio drills, dumbbells, risers, and many more tools for intense intervals that torch fat and crush calories. Turn up the heat on your workout and feel the BURN!!! **2-3**

Hip Hop

The class that allows you to learn all the latest and greatest dance moves choreographed to the hottest hip hop sounds. Develop better coordination, rhythm, flexibility and most importantly -- self-expression! Hip hop dance is a great way to build confidence, self-esteem and gives you that little bit of "swagger" in your walk! **4**

**LESMILLS
BODYJAM**

a cardio workout where you are free to enjoy the sensation of dance. An addictive fusion of the latest dance styles and hottest new sounds puts the emphasis as much on having fun as on breaking a sweat. 55 minutes - **3**

Hatha Yoga--The class uses body weight to emphasize mobility, strength and balance. We target all of the major muscles in each class and explain how the poses help the body and how to get the most benefit from each pose-**4**

INTEGRATIVE YOGA

This class is geared to those beginning yoga, as well as those who are proficient in their practice. It is a full integration of the mind, body and spirit, which is the essence of all yoga practices. It includes basic knowledge and flows through to full meditation with deep stretching and moving the breath with the body. **4**

P.H.I.T.

This metabolic conditioning class combines cardio kickboxing, rope jumping, tabatas, and strength training! A combination of challenging punch and kick intervals and strength exercises using a variety of equipment are included. **2-3**

Pilates

This systematic series of core strengthening and lengthening exercises is based on the work of Joseph Pilates. Class format invites participants of all levels to improve posture, flexibility, and mind/body awareness. **1-2**

**POWER
YOGA**

Nourish your mind, body, and spirit in an invigorating workout. Poses (asanas) are sequenced together and linked with the breath to create a flow of exercise. Increase strength, improve flexibility, reduce stress and bring balance to your life with this challenging class. Previous yoga experience is recommended. **2-3**

SPINNING

Spinning is an indoor cycling workout which allows participants to experience the mind/body connection that is the foundation of obtaining complete health and fitness. Whether beginner or skilled athlete, participants can tailor the workout to best suit their individual fitness levels. **4**

STEP-BLAST

This Classic, high intensity class uses easy to follow choreography that pushes your fat burning systems into high gear! The variety of moves, fast pace, and smooth transitions make this a class you won't want to miss.

**Vinyasa
Yoga**

Vinyasa Flow incorporates fluid movement with deep, rhythmic breathing. Linking movement with breath enhances the health benefits of each pose achieving greater muscular strength and tone, increased flexibility, and improved circulation as well as creating a more focused, calm and meditative state of awareness. **2**

ZUMBA

A feel "happy" workout that is fun and easy to do. Routines feature interval training where fast and slow rhythms and resistance training are combined to shape your body while burning fat. Add some Latin flavor, exhilarating music, and international zest into the mix and you've got ZUMBA! **4**

Cardio JAM

Melt away fat with this fun cardio work out. Effective in toning and defining the body's musculature. It can also improve one's balance, flexibility, coordination and has cardiovascular benefits. **4**
