CLASS DESCRIPTIONS

Class Difficulty Codes in Parenthesis

1=Beginners 2=Moderate 3=Advanced 4=All Levels

ARTHRITIS FOUNDATION AQUATIC PROGRAM (1)

An Arthritis Foundation certified instructor leads participants in a shallow water class that incorporates the buoyancy of the water and the soothing warmth of a heated pool to make a safe, ideal environment for relieving arthritis pain and stiffness. Gentle movements increase joint flexibility and range of motion, while restoring or maintaining muscle strength. The ability to swim is not required.

AQUA PUMP AND POWER (4)

Get ready for a jumping good time. Work in both the shallow and deep ends of the pool to maximize cardiovascular endurance and to build muscle strength. Come prepared to master a variety of equipment that will help you increase your fitness level. Low-impact and high-impact options are offered for most exercises.

DEEP WATER CHALLENGE (4)

Take the pressure off your joints and get your heart pumping and your muscles moving in the deep end of the pool. Flotation belts, noodles, hand buoys and other supportive equipment are used to increase intensity and build strength. Core toning is constant as you adjust body control to accommodate for not touching the pool floor for balance. Move at your own pace to make the workout as intense as you wish.

H2O IN MOTION (4)

Increase your fitness in a shallow-water class that will keep you moving to the beat of the music in high-power and strength building activities. Pyramid segments and Tabata-style high intensity interval training (HIIT) segments will help participants increase speed, range of motion and cardiovascular endurance.

HAPPY HOUR WATER AEROBICS (4)

Join a fun-filled water workout class that's a great late afternoon break. Let stress melt away through a variety of moves and stretches guaranteed to relieve tension and improve your outlook. Take 60 minutes to get fit and invest in your health. Don't forget that child care is available for club members while they work out, and that the sauna, steam room and hot tub are the perfect ways to end a fitness class.

HYDRO-POWER JAM (2,3)

This is a high-gear water fitness class focusing on cardiovascular endurance, muscle strength and flexibility through the use of various support and training equipment in both shallow and deep water.

SUNDAY SPLASH (1,2)

This class uses both the shallow and the deep ends of the pool to concentrate on improving cardiovascular endurance and muscle strength. Hand buoys and noodles are used to increase intensity. The last 15 minutes of the class are devoted to core strengthening. cardiovascular endurance.

Hi/Yo (4) Come join us for a blend of 2 classes. Aqua-Bata and Aqua Flex. You will have the choice of staying for 1 - 45 minute class OR attend both for a 90 minute workout! Aqua-Bata is Tabata style training (HIIT - High intensity interval training) hard work mixed with short bouts of rest. This workout will give you maximum results with minimal choreography. We will have 30 minutes of HIIT followed by 15 minutes of Aqua Flex (Yoga and Pilates formatted especially for the water.) Improve your posture and strengthen core muscles during our stretching segments.

CARDIO FUSION (2,3) This 60-minute high-energy, shallow water class focuses on cardiovascular endurance and muscle strength by using the natural resistance of the water and equipment such as hand buoys. A quick, music-inspired pace is set for the first 45 minutes followed by 15 minutes of slower muscle conditioning. This is a great calorie-burning workout.

HYDRO-VARIETY (4)

Start the week with a high-energy workout in both the shallow and deep ends. Strength movements are combined with fun music and challenging cardiovascular conditioning. A variety of equipment is used to increase resistance and enhance moves.

DEEP WATER DYNAMICS (2,3)

A high energy, cardiovascular workout in the deep end of the pool improves strength and overall fitness. Flotation belts are used for stability and to increase efficient use of all muscle groups, especially core muscles. Other equipment such as hand buoys, fins, noodles, and kickboards may be used. A Tabata-style, high intensity interval training (HIIT) segment is part of the workout.

WATER BOOTCAMP (2,3)

Challenge yourself to this fast-paced, calorie blasting workout using the water to gain speed, power, and strength. This class requires no coordination but does require stamina and geared towards those participants who need a new challenge and prefer hard, athletic workouts.

AQUA ZUMBA (3, 4) Aqua Zumba® is a safe, effective, and challenging water-based workout that integrates the Zumba formula and philosophy into traditional aqua fitness. Don't be fooled, this is not your normal aqua class. The moves are intense. Remember, you will be moving your bodies for 45 or 60 minutes against the resistance of water. The movements are challenging and you can really feel the muscles working against the resistance. Latin dance rhythms that are incorporated into this class. Exercise movements include hamstring curls, Zumba shuffle, kicking, twisting and clapping.

Definitively Deep (3,4) We will focus on HIIT principles, equipment usage, extension of limbs and muscles to increase circulation and relieve tension and tightness, and just plain fun in a hard-working class platform.

Youthful Hearts Fitness (1,2) This class provides all the benefits of regular exercise for promoting health, strength, balance, and brain fitness. The water will help support the body and reduce the risk of muscle or joint injury. The force of gravity is counteracted by floating in water, and less stress is placed on the joints when stretching. This will allow you to achieve a greater range of motion while keeping your head out of the water.
